2002 SCHOLARSHIP AND AWARD RECIPIENTS

More than 120 donors support scholarships for students at Cal State L.A. In 2002, more than 500 students received scholarships, most of which are based on a minimum B (3.0) grade point average and completion of 12 units in residence at the University. University committees select the scholarship recipients. In addition to these awards, more than 250 students received scholarships and grants from outside agencies.
