## BACCALAUREATE GRADUATION WITH HONORS

Baccalaureate graduates of Cal State L.A. who maintain an outstanding academic record while earning their degrees are accorded special recognition upon graduation. These honors, designated on the diploma and the permanent academic record, are granted to the top ten percent of all graduates in each college. The following lists those students who graduate with honors and those students who may qualify for graduation with honors when final grades for the Spring 2009 Quarter have been recorded, subsequent to Commencement. Inclusion in this list does not guarantee graduation with honors, nor is this list inclusive.
